

Finding Facts (Retrieval) — Cheat Sheet

11+ Maths Guide · Year 5-6 · Keep this by your desk

FINDING FACTS (RETRIEVAL)

1. Underline the question's key words.
2. Scan the text for those words (and numbers/names).
3. Answer briefly with the text's own words.
4. Check you can point to the proof.

Example: 'What time...?' → scan for numbers → '7:45'.
