

Reading NVR Figures — Cheat Sheet

11+ Maths Guide · Year 5-6 · Keep this by your desk

READING NVR FIGURES

1. Scan order: Shape → Shading → Size → Count → Position.
2. Count sides to name shapes.
3. Shades: white, grey, black, striped.
4. Describe the figure in words — it forces noticing.

Scan: 'grey square, medium, one centre dot' — five dials, five answers.
