

Letter Sequences — Cheat Sheet

11+ Maths Guide · Year 5-6 · Keep this by your desk

LETTER SEQUENCES

1. Letters → positions.
2. Find the jump; verify on EVERY gap.
3. Watch for growing jumps (+1, +2, +3...).
4. Apply once more; convert back to a letter.

Examples: C F I L → O (+3) · Z X V T → R (−2) · A B D G K → P.
