

# Odd One Out — Cheat Sheet

11+ Maths Guide · Year 5-6 · Keep this by your desk

## ODD ONE OUT

1. Name the majority's category in words.
2. Test every option against it.
3. Two possible answers → tighten the category.
4. Meaning beats surface features (length, letters).

---

**Examples:** carrot (vegetable among fruits) · dolphin (mammal among fish) · kitchen (room among furniture).
